

NEWSLETTER

NOVEMBER/DECEMBER 2018

The Club continues to be a busy and active place and lately there have been two highly successful social events which will be given some photographic coverage in these pages. Nothing happens without a lot of planning and execution and these two events are evidence of that. We thank all the organisers and their teams of assistants who made these two events a success.

Winter activities occupy the club house every week and all are well-attended. However, there is always room for more people to join in these activities.

On a Sunshine note, we wish Rosemary Ward a quick return to good health and normal activity and Barb Coey a speedy recovery from her broken hip.

PIZZA AND GAMES

On Friday, November 23 the first Friday Night Bowling, Pizza and Games Night was held. Gale Law and Dorothy verge came up with a plan to spice things up a little and have a different kind of event. They decided on a late afternoon Friday that started with carpet bowling followed by pizza and then games. The turnout was great and fun was had by all. The plan is to continue the fun in January, February and March and details will be coming shortly after the holidays.

It is great that this social event got started and was such a success. Some of us had similar plans for a similar event involving a barbecue in the Summer but the season was so busy that it didn't get off the ground. Now that the Winter event is off to a flying start, maybe we will all be inspired to run something in the summer.

FASHION SHOW AND TEA

On Sunday, November 25, the much-anticipated Fashion Show took place. Those who couldn't attend missed a treat! There were two parts to the Show, one featuring women's day wear from Just for You Fashions and the other a selection from Gloria's enormous collection of gowns designed by Gloria for many gala occasions. Most of Gloria's gowns were intended for slender young ladies, those competing in beauty contests and that sort of thing, but there were enough in sizes suitable for those of us whose avoirdupois has migrated to all sorts of unwelcome places that nine of our members modelled these gorgeous pieces of apparel. Ninety-three guests were there to admire the display while enjoying an elegant afternoon tea.

Just for You Fashion Studio is on Cedar Hill Road at the corner of Finlayson.

It was as much fun for the models as it was for the audience and we have all learned what it is to be a quick-change artiste.

*Thank you, Gloria, for making this
day a huge success! You are
amazing!*

Meanwhile our winter activities continue:

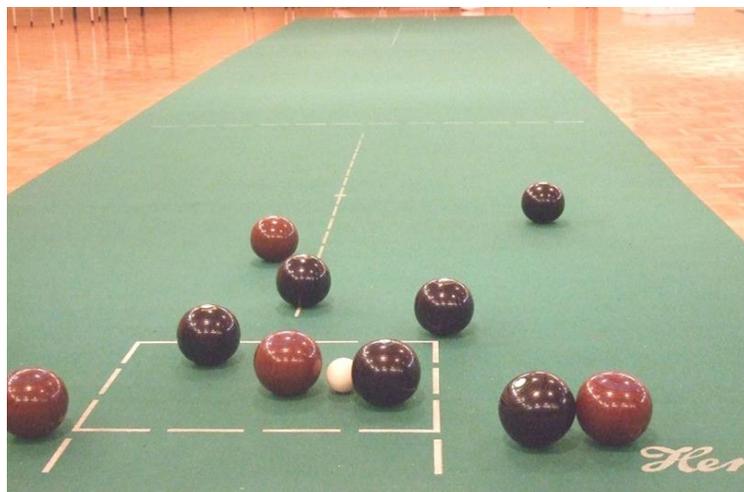

MAHJONG at Gordon LBC meets on Mondays from 1 – 3:30 pm. We play a Western version of Mahjong with a fun-loving group of 16 – 20 players. The focus is on enjoyment, friendship and improving our hand-building skills but mostly it is about having fun with others. Newcomers are always welcome whether they are GHLBC bowlers or social members. If you or someone you know wants to join us, or just check us out, please call Sandra McConnell at 250-721-5526.
