There will be music and a mid evening break to have a drink, and snacks. We will introduce newbies to a few less structured new games. Each Friday will have a music theme, this Friday being Pop Stars from the UK.

There is a two dollar fee for members, \$5 dollars for non-members (five for under 21). The fee includes soft drinks and snacks.

The games this Friday will be "Two Bowl Triples" for regulars and "Jack Attack" for newbies. Friday night games will involve many rink changes to ensure bowlers socialize.

This is something new to our club. If Gill and I are the only two participants, you may see us dancing to the music on the webcam. There will be at least two people having fun Friday evening.
